Recommendations

1

Coffee Shops

- Red and Purple cluster.
- 1st and 2nd most popular venue

2

Restaurants

- Indian Restaurant
 - most popular in Hounslow
 - 2nd most popular in Harrow

Further Work

- Explore coffee shop density in red and purple boroughs
- Socioeconomic demographics
- Ethnic mix in boroughs to understand popularity of Indian Restaurants

A white ceramic cup filled with a frothy coffee drink sits on a matching saucer. The cup and saucer are placed on a dark, textured surface, possibly a table. In the background, a blurred cityscape is visible, suggesting a view from a high vantage point. The sky is overcast with soft, diffused light. In the upper left corner, there are two overlapping geometric shapes: a blue parallelogram and a green parallelogram, both tilted at an angle.

Thank you
